

# COVID-19 and Your Financial Well-being

Stay up-to-date during this rapidly evolving time: [unfcu.org/COVID-19](https://unfcu.org/COVID-19)

As we adjust to a world with COVID-19, our commitment to your financial well-being remains steadfast.

## Listen to the experts

We are following recommendations from the [World Health Organization](#). We encourage you to do the same.

## Easily manage your accounts at home with [Digital Banking](#)

Transfer money • Open new accounts  
• Apply for loans and credit cards

## Deposit USD checks with our [mobile app \(PDF\)](#).

## Limit contact with cash and card machines

Upload debit and credit cards to your [digital wallet](#). Request contactless cards.

## Know your money is secure

UNFCU [deposit accounts are insured](#) by the US government to at least \$250,000. These are not affected by stock market activity.

## Reach out

[Member service representatives](#) are ready to help, though there may be changes to our hours of operations. Thank you for your patience, since wait times may be longer with higher volumes.

---

If we contact you, we won't ask for private account information, such as member number, PIN, or password. Learn how to [protect yourself from common scams](#).

Peace of mind for our members, employees, and global community remains our top priority.
